

What are your thoughts or questions about Sunday's Message?

MAIN POINT: GET in the Lord, get in the Spirit

1. What did you learn that you thought was most helpful to parents and parenting in Sunday's Q&A with Shelley and Jon?
2. Several questions asked about adult children that turn away from their parents "rearing" or away from the Lord. Read Proverbs 22:6 and discuss the meaning of this verse.
3. What advice would you give Christian parents who disagree with the lifestyle or decision-making of an adult son or daughter who is no longer a dependent and on his/her own?

4. How important is prayer to parenting and why?

5. What is one tip that you as a parent would tell your younger self about parenting?
