

What are your thoughts or questions about Sunday's Message?

MAIN POINT: in the Lord, no Job is too Small!

1. Most people have a tale to tell about their worst job or work situation. What was yours and why?
2. Read v5-9. Why do you think Paul gave more words to slaves than masters? What words overlap and apply to both?
3. How does Jesus even the playing field in an uneven situation? Paul answers this in every verse of 6:5-9, but don't miss the two answers in v8 and v9.
4. How does seeing the workplace as a place of "mission" change our perspective and make "work" meaningful?
5. Read Col 3:17. What part of life is Paul leaving out?
