

Student Missions Sunday

4/15/18

1. What stood out to you from the testimonies of young people?

Riley Borg (JHM)

Jacob Goswick (HSM)

Sara Tomas (HSM)

Westley Crum (Satellite)

2. How can you pray for the youth of our church and their leaders?
Dig deep... think of ways they can reach people that “older” people can’t.

3. Have somebody share their story or perhaps the story of somebody they have interacted with recently.

4. Are there any needs in our group? Pray over those needs and discuss ways they can be met.

5. How can we as a group meet the needs of the marginalized of our community/city?

6. What are some ways we can become better “inviters.” (not just comfortably inviting friends to church, but inviting EVERYBODY to community!)
