

God's People — On Mission

9/16/2018

Matthew 5: 1-16

Darin Dolson

1. What does “on mission” mean to you?
2. What are ways you can be “on mission” in your life right now?
3. What did Darin Dolson say that spoke to you personally?
4. From young to old, discuss how GCC is “raising up” missionaries.
 - a. (discuss current GCC programs/outreaches that are beneficial to this)
 - i. (HINT: AWANA, VBS, Family Mission to Mexico, JHM Soccer Camp, HSM Mission To Mexico, Satellite Inner City Outreach, Guatemala Outreach, Men's Mission To Mexico)
5. Isaiah Holt (*Young Life, San Diego State University*), Easton Katayama (*Students International, Nicaragua*), Steven Hoover (*CRU, UCLA*), and Taryn (Harvey) Wilson (*Students International, Nicaragua*) are a few who have grown up in our church family (through Children's, JHM, HSM, and Satellite) and are now serving in full-term missions in the field. Discuss the impact our “programs” have had on you and your family/friends. (and there are others commissioned from our church to serve in full time missions...)
6. Did you meet any new missionaries? Tell us about them.
7. Are you involved in local organizations (TKRL, Visalia Rescue Mission, Care Pregnancy Center, Young Life/Lives, Good News Jail & Prison Ministry, Fellowship of Christian Athletes)?
8. What are practical ways your R Group can serve/support locally? Globally?
9. Point of interest, our church adds 12% of our total budget to our budget and designates it for our Missions Program. Great things are happening at GCC!
