

## True Love Waits

2/10/19

What are your thoughts as you see these young people making these commitments?

What were your thoughts and reflections from Sunday's True Love Waits (TLW) Ring Ceremony? How were you challenged?

What did you take away from the speaker's message?

The Ring Ceremony and TLW as a whole emphasizes sexual purity and holiness above and beyond sexual abstinence, what's the difference? Did you see this emphasized in the message and the student commitments?

How does the call to live pure and holy lives apply to us who are married?

What is our responsibility to these students as a part of Grace Community Church? (Think practical, tangible actions)

If anyone in your R Group went through TLW, please consider sharing things you learned or took away from the weekend conference.
