## *Now Offering: Free STI Testing*

In our effort to reach abortion vulnerable people we've been hard at work to be able to offer free STI (sexually transmitted infection) testing through our onsite partnership with Care Clinic (how we offer our clients free sonograms!).

Thanks to your wonderful financial support and continuous prayers, and the hard work of our medical team *we have officially started free STI testing!*

We are excited to see how God uses these appointments for life-changing conversations and ministry, as well as the lives He will rescue.

**Pray for us as we embark on this new endeavor, and again, thank you for your support as CPRC continues to grow!**

## *Our September A&W Float Outreaches Were a Success!*

This September to make the local high schoolers back to school a little sweeter and to have a chance to get our name out there to the schools – we did our bi-annual A&W float outreach! We brought the A&W truck to local high schools and handed out free ice cream floats to the students!

We had a great time getting to meet students and let them know who we are and what we do—and that we're here for them.

*A big thank you to the youth pastors and Churches who volunteered their time to help us with this outreach!!*

**"I loved the comforting and welcoming environment."**

## *You're Wonderfully Made!*

Our *Fall Fashion Show & Brunch* was such a reminder that we are all wonderfully made with a purpose, from when God knit us together in our mother's womb and for the rest of our life onward. What a blessing to celebrate this message together!

*We wanted to say a special thank you to a few individuals who made this special event possible: Maria Duran, Espi's Kids, The Naz Church & Naz Women's Ministry, Dayna Holmes and Sue & Rachael Jackson.*
