

Coronavirus: COVID-19 Grace Community Update | March 16, 2020

Dear Grace Family,

Our pastoral staff met this morning to discuss our plans going forward given our attention to current state and local instructions as well as consultation with department leadership in our areas of ministry.

In addition to this mailing, pastoral staff will individually communicate with you regarding details that concern you in each respective ministry.

Remember, let's safely collaborate where we can, but we expect you to exercise your decision making given your unique circumstances and good sense.

Although this is a plan, we all must recognize it is subject to change. Unless you hear otherwise, the following is what we want you to expect in the coming days.

- Next Sunday we will NOT hold our regular Worship Service on campus. We will live-stream our worship service at 9 am. Information will be sent to you with details of how you can connect to participate online.
 - * Praise Teams, we will maintain our current schedule. TJ will be in touch.
 - * We encourage you to take advantage of the live-stream at 9:00 a.m. Sunday morning to gather in your homes as a family with loved ones. Let's make this the unique opportunity to meet with us and the Lord for worship and God's encouragement for your home and family.
- AWANA and Jr. High midweek ministries are postponed until after Easter on April 12. This benchmark is in step with the stated plans of our VUSD.
- High School Ministry GROW groups will be maintained by the individual GROW group leaders.
- The Mexico Mission is still a go at this point. Training and all that goes into that ministry will proceed as usual.
- Satellite will continue to meet on Thursday and will monitor the situation and make adjustments as needed.
- R Groups will continue to meet at the discretion of each R Group leader and its group members.
- Iron Works will continue to meet until further notice.
- Women's Enrichment is postponed at this time.
- The Widows' Luncheon is postponed.
- MOPS is postponed until further notice.
- The Men's Game Night in March is postponed. It plans to resume in April.
