the Dolson News

Cru / Lake Hart Stint

Family News:

Our daughter Danielle graduated August 4th from the University of Central Florida! We are so proud of her and excited about what God has in store for her future! We were blessed to have a few days of family vacation in beautiful North Carolina.

LHS 19: What they said...

As our Cru staff finished their journey on the Lake Hart Stint, here is what a few said about how God showed up in their lives this year.

“I’m growing in intimacy with God & what it means to live in purity & freedom.”

“I was struggling with perfectionism, hiding & withdrawing from others. God is helping me learn to ask for help and practicing disclosure with others in my life.”

“I had no hope. God has written great things in my life this year & I have been surprised by His tenderness!”

“God has graciously exceeded my expectations after 10 years.”

“There are things I longed to hear from my dad that my coach spoke into my life. I’m leaving now with my voice and embracing my insecurities.”

Thank you for helping to fulfill the Great Commission by investing into the lives of these Cru missionaries!

In His Love, Darin & Kathy
