Grace Community Church  
2525 S Lovers Lane  
Visalia, CA 93292

In times of grief...

you may wonder where to turn.

*In times of sorrow your church staff and church family come together to help you with a memorial or a graveside service.*

The first step is to contact the church office and speak to the pastor of your choice.

### **Pastoral Care**

The pastor will arrange a time to meet with you and offer grief counseling as well as discuss service arrangements.

### **Service Arrangements**

The church offers the Worship Center for the service and the Student Center for a reception to all members and regular attenders of Grace Community at no charge.

A sound technician is generally required and the church will arrange one for you.

Photo tributes on screen can be produced or you may bring your own.

### **Receptions**

Morning services can be followed with a luncheon reception for up to 100 people at no charge. A donation of \$2/person is suggested to cover costs if you plan on serving more than 100 guests. The church provides a meat and cheese tray with condiments and rolls. R-groups and ABFs (Adult Bible Fellowships) are called upon to provide salads and desserts.

Afternoon services can be followed by a dessert reception. The church and volunteers provide cookies, tea and coffee.

The church can be reserved for a maximum of three hours for both the service and reception.

### **Honorariums**

Families often ask about customary honorariums to express gratitude for services performed. Such honorariums are at the discretion of the family without obligation and may be given directly to those serving.

The suggested honorariums are as follows:  
\$200 for pastor conducting the service  
\$100 for Vocalist  
\$100 for Musician

\$200 Janitorial Service (required)  
\$200 Memorial Coordinator (required)  
\$150 for Sound Technician (required)
