

Dear Family and Friends,

Thank you to each of you as you stand with us here in Indonesia. We are so grateful for the family of God!

In Hosea God says, "For I desire mercy not sacrifice, and acknowledgment of God rather than burnt offerings." May we show mercy and acknowledge God to those around us each day.

Supporting health workers

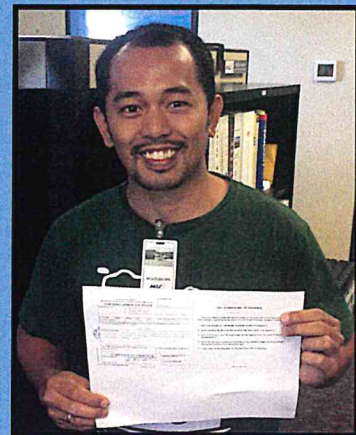

We continue to serve the people of Kalimantan and Papua. There is no end to the challenges in keeping up with the ever-changing regulations. We are grateful we

still can show mercy and point people to God here in this place.

One way of showing mercy is helping with the sick. We often evacuate people to better medical care or transport medical workers and their supplies into the villages to minister to the whole village.

Helping a lady that had a stroke by getting her to better medical care.

Investing in and training our national MAF staff is part of our purpose as well. Arleon just returned from the States with an FAA avionics Repairman Certificate in hand. This will further allow him to work on our MAF planes and sign off maintenance completed. What a huge blessing and another step forward.

Hanging out with the Salatiga Language School Gang

Jonathan was able to visit the Tarakan and Palangkaraya bases located in Kalimantan and connect with them as we work through some operational challenges. These teams are filled with faithful coworkers diligent in doing the work the Lord has given them to be a blessing to the people of Kalimantan!

Caring, encouraging, and supporting our four new MAF staff families as they learn the Indonesian language and culture is a joy for us. This is a stretching time for each family as they adjust to living away from what is familiar and embracing the changes and differences that another culture brings. We're privileged to come alongside them during this transition. Pray that we may truly be a blessing to them.

We are grateful for friends here in Jakarta amidst the busyness of the city. We have known these friends prior to coming to Jakarta as they have graciously helped MAF with electrical supplies from their store for many years, whether just routine items needed or a huge order of wire and lighting for an MAF building project. They are always willing to help.

We really appreciate your prayers!

Many Blessings, Jonathan and Cindee
