

May 1, 2019

Thank you for your prayer support. Your prayers help us to "...run into his heart to hide ourselves in his faithfulness. This is where we find his strength and comfort, for he empowers us to seize what has already been established ahead of time—an unshakeable hope!" (Hebrews 6:18 The Passion Translation)

Pray for us as we have the privilege of supporting a dear friend as he walks through the valley of the shadow of death and lays hold of his Unshakeable Hope. Ask the Lord to make us an encouragement and comfort to him in his last days.

Our time in Vancouver with the Middle East leadership team was a pure delight. Hearing the plans and dreams of the Arab national leadership caused us to give thanks and praise for what God has done "...more than (our) greatest request, (our) most unbelievable dream and exceed (our) wildest imagination!..." (Eph. 3:20 TPT). Thank you for being part of this.

Pray for Muslim around the world as we approach their holy month of Ramadan, May 6-June 4. You can download [30 Days of Prayer for the Muslim World](#) at World Christian.com. This is the time Muslim hearts are seeking God. Pray that He will give them dreams and visions of Himself. "Ask me to give you the nations and I will do it, and they shall become your legacy..." (Psalm 2:8 TPT)

We have visitors this summer from the U.S., England, and the Middle East. What a blessing to have those to whom we have ministered now come to us. Pray that we will have rich fellowship in Christ and they will feel "He offers a resting place for me in his luxurious love. His tracks take me to an oasis of peace, the quiet brook of bliss...where he restores and revives my life." (Psalm 23:2,3 TPT) Also ask the Lord to give us the strength to be what we need to be to them.

Jesus came to give us a relationship with the Father, not religion. We are grateful for the continued relationships He gives with family and ministry. On April 2 our son-in-law had to have three stents put into his heart. Ask the Lord to help him make changes in his diet and work load. We are grateful the Lord spared his life. Pray also for those with whom we are reading the Scripture that Christ will become real to their lives.

In Christ alone, with much love,

Bob & Marilyn
