San Diego State // Patrick Henry High School

Patrick Henry High School

This past Summer was incredible for Patrick Henry Young Life. We took 25 people to Woodleaf for a week of fun, adventure, laughs, & lots of deep talks about Jesus. By the end of the week, we had 16 kids with a relationship with Jesus. Many are now excited about campaigners & are ready to "dive in." We had 3 students, (Emily, Jesse, & Eman) stay after

camp & do work crew for the month. They learned how to serve & commit to their faith on a whole new level. It was transformative for their lives. We are now entering this Fall with huge momentum. We have 4 student leaders (Emily, Kendall, Jesse, and Luke) who are ready to lead their friends to the feet of Jesus & bring them to club, campaigners, & camp! They ran

the club fair at lunch at Patrick Henry & we got 100 new sign-ups for Young Life! We had our first event, a Luau on September 10th & had an incredible turnout — we had 50 STUDENTS!!! The Lord is on the move & we are so thankful to be a part of the journey!

San Diego State

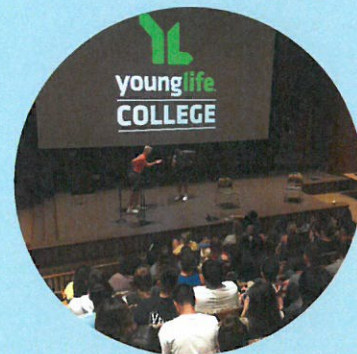

We are off to a great start at Young Life College San Diego State! By the numbers: 100 students at a giant slip-n-slide, 80 students at our Pizza & Keg Night (Rootbeer), & 70 students joined us for two dinner events at the new Young Life House on campus. Over 100 students joined us for the first Club of the year & we currently have 50-60 students a week participating in Large Groups! Billy Jack and a handful of leaders are coming off of a transformative experience on Summer Staff at Woodleaf, & are ready to continue to journey with students as they take steps to follow Jesus. We have a new wave of freshmen who are engaged in YL on campus, many of whom experienced YL at their middle schools & high schools. We have them signed up for leadership training and will strategically place them on teams so they can give their life away for the Kingdom. God continues to move in the lives of students at SDSU & we are excited to join. Billy Jack is no longer a YL rookie — there is still much to learn, but we continue to celebrate all that God is doing, & will do, in the months to come.
